

The diagram shows a business card template with three distinct boundaries: a blue dotted line for the safe area, a pink dashed line for the trim, and a black solid line for the bleed. The safe area is the innermost, followed by the trim, and the bleed is the outermost. The bleed area is shaded with a fine grey pattern.

SAFE AREA

DO NOT place important texts or images beyond the blue dotted area to prevent trimming.

TRIM

This is the actual cut of the final design.

BLEED

Extend your artwork to the edge of this template if you want your design to extend to the edge of your final prints. We require 1/8" bleed all around.

8.5"X11"
