

The diagram shows a square sticker template with a white background. It is framed by a blue dashed line representing the 'SAFE AREA' and a pink dashed line representing the 'TRIM' line. A black line extends from the left edge to the 'BLEED' text. The background of the entire image consists of a grey and white diagonal hatching pattern.

SAFE AREA

DO NOT place important texts or images beyond the blue dotted area to prevent trimming.

TRIM

This is the actual cut of the final design.

BLEED

Extend your artwork to the edge of this template if you want your design to extend to the edge of your final prints. We require 1/8" bleed all around.
