

A 3x3 inch sticker template with three concentric dashed borders: an inner blue dotted line for the safe area, a middle cyan line for the trim, and an outer magenta line for the bleed. Three lines (blue, magenta, black) point from the text labels to their respective borders on the left side.

SAFE AREA

DO NOT place important texts or images beyond the blue dotted area to prevent trimming.

TRIM

This is the actual cut of the final design.

BLEED

Extend your artwork to the edge of this template if you want your design to extend to the edge of your final prints. We require 1/8" bleed all around.
