

The image shows a 5x5 inch sticker template. It features a central white area surrounded by a blue dashed line representing the safe area. A pink dashed line represents the trim, and a black dashed line represents the bleed. The bleed area is shaded with a grey diagonal pattern. Three lines with labels point to these areas: a blue line for the safe area, a pink line for the trim, and a black line for the bleed.

SAFE AREA

DO NOT place important texts or images beyond the blue dotted area to prevent trimming.

TRIM

This is the actual cut of the final design.

BLEED

Extend your artwork to the edge of this template if you want your design to extend to the edge of your final prints. We require 1/8" bleed all around.

5" X 5" STICKER
